## Fuel the nonprofit news movement:

Contribute to the pooled fund that stimulates hundreds of thousands of donations.

People need relevant, trustworthy, independent information to stay safe and healthy, to engage in community – and to take action on issues they care about.

**Nothing satisfies these needs like high-quality, local journalism.**

Research shows when journalism falters, voting rates decline, fewer people run for office, corruption increases and serious issues escape public and policymaker attention.

**For donors, foundations and corporations concerned about ensuring we have informed and engaged communities, NewsMatch is one of the most powerful tools to help high quality nonprofit newsrooms thrive.**
